

Information about Munich

Munich Airport

You can find any information concerning the airport on www.munich-airport.com

The Munich Airport is situated north-east of Munich and can easily be reached by the S-Bahn trains, lines 1 and 8 which run every 10 to 20 minutes and terminate at the central station. The time of travel is about 45 minutes. Timetables and further information are available on www.mvv-muenchen.de

A bus service to the central station is offered by Lufthansa in cooperation with AutobusOberbayern. The time of travel is about 40 minutes. You find further information on www.airportbus-muenchen.de

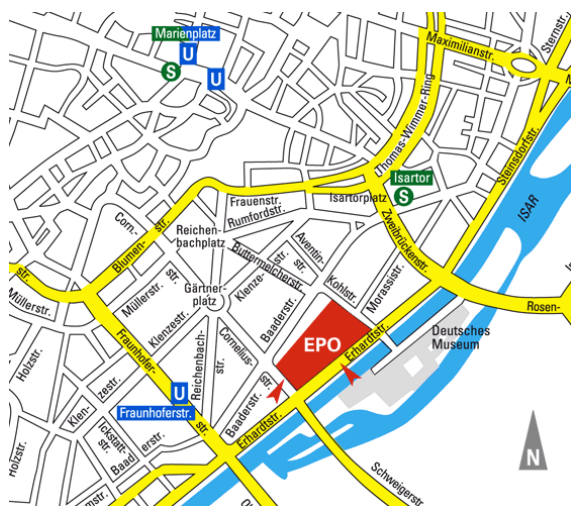

Deutsche Bahn/German Railways

The long distance trains to Munich terminate at the central station. Tickets and information about the timetable is available on www.bahn.de/international/view/en/index.shtml

Public transportation to the EPO/EPA

From the central station you can get to the European Patent Academy by underground line 1 heading to *Mangfallplatz*. Get off at the station *Fraunhoferstraße* which is only minutes away from the EPO/EPA.

You can find more information including timetables about the Munich public transportation system on www.mvv-muenchen.de
